Coaches Day

Something Fun and New!

All coaches will have the opportunity to take all of the CRLI clinics necessary to serve as a coach in one day!

If you'd like to coach, and you are not already on the coaching e-mail list, please go to www.crll.org for more information.

Our goal this year is to have each coach participate in the coaches day. If the coaches day is not attended you will be asked to take an online class with quizzes at the end of each section... it'll be more fun to do the coaches day, so we hope we see you there!

Volunteers Wanted!

Please help the league build to be better by getting involved. This year there are more options for you to help! Please choose a team to be a part of and watch our league get better! Go to www.crl.org to get involved!

One Board Member will lead each team with supporting members from the community. Parents, Aunts, Uncles, Grandparents can all volunteer to be a part of a group effort. The more involved, the better our league.

Available Teams:

Location of Additional Baseball and Softball Fields

In addition to our neighborhood park fields, we are very excited to announce that 2010 will be CRL's first season under the lights! The additional fields will be at Cortaro and Silverbell. The official grand opening of the park at Cortaro and Silverbell will be February 27, 2010.

Umpire Update

Little league has established a new rule that there must be at least one umpire on the field 18 or older in each division. Please volunteer now. There is free training available. It's a great way to be involved. You'll be surprised at how much fun you'll have! Please check out www.crl.org for more information.
